There are wineries in Chile in which the delicacy of their wines is reflected in their architecture, service and gastronomy. Viña VIK delivers that exclusivity in a postcard worthy of a 5-star experience. Just over 2 hours from Santiago, this vineyard, founded by the Norwegian Alexander Vik, is inserted in a territory where silence and tranquility are perfectly joined in each space that makes up the winery. VIK is the perfect fusion of man and nature, there its exquisite wines are transformed into an eclectic art. A tour and the tasting of its best wines will be the beginning of this tour, accompanied by a beautiful view will be the climax in one of the most amazing vineyards in Chile.
