A GREAT DAY IN THE CASABLANCA VALLEY WITH SERVITOUR

"My boyfriend and I booked a last minute trip with Servitour to the wine growing area of Casablanca outside of Santiago. Our guide, Esteban, and our driver picked us up at the agreed time – in a very spacious van –(...) Esteban is very informed so we learned a lot. When the restaurant took a little longer than expected with our lunch, Esteban told us that he had already modified our tour in the second vineyard, so we did not worry about rushing. We were able to visit two excellent, but very different vineyards (...) We tasted many new types of wines, and it is a trip that I will never forget. Servitour did an amazing job – we got to our destination safely, they provided us with an umbrella when we needed it, and even gave me a blanket when I got cold towards the end of the day. Couldn't ask for better service."
