

COLCHAGUA VALLEY EXPERIENCE

Full Day Tour

Be a distinguished protagonist of one of the most exclusive wine experiences in Chile while visiting 2 of the most awarded Chilean wineries worldwide, and discover why Colchagua Valley is considered to be the birthplace of Chile's iconic wines. Located 180 kms from Santiago, we will start our tour visiting Lapostolle Winery, where Alexandra Marnier Lapostolle and her husband decided to create a world-class wine project back in 1994. Their work has been acknowledged with great achievements such as their Clos Apalta, recognized in more than two occasions as the Chile's best icon wine, and its 2004 vine stock as the "best in the world according to WineSpectator (2008)", and 5th place among 16,000 wines for their 2014 strain in the 2017 JamesSuckling.com list... surely a must experience. After wine tasting in a spectacular underground winery in Viña Lapostolle, we will head to Viña Montes, owned by the so-called "Mr. Chilean Wine", Aurelio Montes. This spectacular and imposing winery is located in a beautiful territory which you can explore in an ingenious guided tour on the slopes of the hills that surround this exclusive sub-valley called Apalta. While in Montes Winery, you can't miss the opportunity to have lunch at the famous Fuegos de Apalta restaurant (subject to availability) lead by the world-acclaimed chef Francis Mellman, an expert hand on meats, finishing off this entire wine experience that you will surely remember forever. Rely on our specialized guides that will take you to **Colchagua Valley Experience**.

A WONDERFUL DAY IN THE COLCHAGUA VALLEY

We were going to stay in Santiago for just two days(...) Our guide was Esteban and our driver Claudio, who gave us an excellent service. Esteban's English is very good and his knowledge of the region and the wine industry is outstanding(...) We visited two vineyards; the first, Apalta, was very sophisticated. We started on the roof, to continue down the spiral staircase, watching how the different processes are carried out at different levels (...) Then, we traveled a short distance to Viña Montes, where we enjoyed lunch in a stunning restaurant among the vines .
