

HARAS DE PIRQUE EXPERIENCE

Half Day Tour

To enjoy such emblematic wineries of excellence just 40 minutes from downtown Santiago is an opportunity that should not be missed, and where tradition does not take away the innovative part of things, Maipo Valley is an iconic wine destination that will leave you overwhelmed by its history, beauty and distinguished grape varieties such as Cabernet Sauvignon, Merlot and our own Carménère. On this occasion we will visit Viña Haras de Pirque a boutique vineyard to Haras de Pirque, a boutique traditional family winery whose origin lies in horse breeding. With its particular horseshoe-shaped architecture, on the slopes of a hill, you will enjoy one of the most privileged panoramic views of the Valley, along with an educational guided tour through the facilities, finishing off with a wine tasting in its particular underground tasting room. Servitour Chile puts at your disposal 3 gastronomic recommendations that vary in flavors, but not in quality; the Hussonet restaurant inside the Haras de Pirque vineyard offers a varied gourmet gastronomic offer. If you are looking for the intense flavors of Italian food, the Ciao Italia restaurant will make you feel like you are in Europe. Our third alternative goes hand in hand with the typical Creole food of our country at the La Vaquita Echá restaurant and as a last option, there is the renowned Viña Concha Toro Wine Bar where you can enjoy its varied food menu and its dazzling iconic wines offered by the glass. Rely on our specialized guides that will take you to **Haras de Pirque Experience.**

A FABULOUS WINE TOUR IN THE MAIPO VALLEY WITH ESTEBAN AND NICOLÁS

"We booked a full day private tour with Servitour to visit two vineyards in the Maipo Valley. Esteban was our guide and Nicolás the driver. They were both very friendly, funny and went out of their way for us to enjoy the trip. The first vineyard (and by far the best!) that we visited was Haras de Pirque. Esteban worked in the vineyard so he is an expert about the region and the wine. He arranged a spectacular private tour for us, followed by lunch at the vineyard. The tour was so special and personalized that we felt like we were the only visitors there. We did a couple more vineyard tours during our stay in Chile and nothing compares to the day we spent with Esteban and Nicolás!"
